# Statement

The Board of Directors of Reveal Media Ltd. approves and directs the following policy.

All employees of Reveal Media Ltd are required to comply with this policy and take individual responsibility for achievement of the policy aims by complying with the policies, procedures and instructions, which extend from it, and by promptly completing all related training provided by the company.

The Board of Directors of Reveal Media Ltd. shall:

- Maintain awareness throughout our organisation and supplier base of the importance of Quality Management and consistently achieving conformance to requirements. We will achieve this in part via regular quality training and awareness programmes promoting the importance of delivering a quality product and service on time every time.
- Stay at the forefront of Body Worn Cameras and Digital Evidence Management developments. We will do this by promoting and supporting a culture of continual improvement and remaining fully engaged with the latest trends and practices within the industry.
- Thoroughly address any nonconformities in relation to the Quality Management System which is incorporated into our Integrated Management System (IMS). We will ensure this is achieved by maintaining a robust audit and nonconformance reporting system (Weakness, Event, Reportable Incidents and Non-conformities) communicated across all organisation areas.
- Provide appropriate resources to deliver a consistently conforming product and service. We will achieve this by conducting regular measurements and monitoring of our Quality Management System (Q.M.S.).
- Adopt a risk-based approach to Quality Management. We will implement this by Maintaining a current risk assessment with an appropriate treatment plan which will be reviewed by top management regularly.
- Agree S.M.A.R.T. objectives which support the continual improvement of our IMS are contained within 'Objectives and opportunities' document which is regularly reviewed at our Management System Review meeting and subsequently communicated.

This policy will be regularly reviewed to respond to any changes in the IMS.
